

## OFFICIAL ANNOUNCEMENT

### SOUND AND COMMUNICATION APPRENTICESHIP APPLICATIONS

**Wage & Fringe Benefits:** \$13.27 to \$16.71 per hour to start, depending on location, as per IBEW/NECA *Collective Bargaining Agreement (as of 12/01/08)*, with periodic advancement. Medical & Retirement benefits are provided.

**Characteristics of the Trade** ~ Apprentice will typically be under the supervision of a Sound and Communication Installer/Technician at all times. The trade requires physical effort on the part of the apprentice to do climbing, crawling, crouching, lifting, use motorized tools, electronic test equipment and work in cramped quarters. Wiring is frequently color-coded for connecting purposes; therefore the worker cannot be colorblind. Mechanical ability and finger dexterity is essential. Work may be performed indoors or outdoors, in new and old construction environments.

**Program Scope** ~ In order to achieve Installer status, the 3-year Apprenticeship Agreement requires the Apprentice to complete 480 classroom hours of Related Supplemental Instruction, (4 weeks per year), and 4800 hours of On-The-Job training, through exposure to the following work processes: *Component Installation, Wire and Cable Installation, Splicing and Termination, Maintenance and Service, and Testing and Start-Up*.

*Individuals who can show that they meet the conditions listed below, after making a qualified application, will be afforded an oral interview by the JATC. Once interviewed, an applicant shall remain active on the Eligible Applicant List, subject to selection, for a period of two (2) calendar years from the date of interview.*

#### **Minimum Requirements ~ Qualifications for Applicants**

1. Must be 17 years of age to apply; 18 years of age at time of selection and indenture. Valid photo I.D. required
2. Complete an application form, accurately responding to all questions, including statements indicating you are:
  - a. Physically and mentally able to safely perform or learn to safely perform essential functions of the job
  - b. Able to get to and from work at job sites, as assigned
  - c. Able and willing to attend all Related Supplemental Instruction, as required
  - d. Able to climb and work from ladders, scaffolds, poles and towers of various heights
  - e. Able to crawl and work in cramped spaces such as attics, manholes and crawlspaces
  - f. Able to read, hear and understand instructions and warnings.
  - g. Show evidence of successful completion of: one full year (2 semesters) of High School Algebra or one semester of College Elementary Algebra with a minimum grade of "C" or equivalent or provide evidence of having successfully completed the NJATC Tech Math Course (available on-line at [www.njatic.org](http://www.njatic.org)). Pre-Algebra does not meet this requirement.
3. Be at least a high school graduate, or have a G.E.D., or have a two-year Associate Degree or higher
4. Provide official ("sealed") transcript(s) for high school and/or post high school education and training. G.E.D. records must be submitted, if applicable. All records and transcripts must be in English.
5. If a Veteran, submit form DD-214 for possible consideration of military training and/or experience, if applicable
6. Score "4" or higher, on the electrical trade's aptitude test developed and validated by the American Institutes for Research. The aptitude test includes reading comprehension and basic algebra (see: [www.njatic.org](http://www.njatic.org) website for more information).
7. Consent to Substance Abuse Screening.
8. Applications must be completed in-person, by the applicant, and may not be taken off-site. All required documentation must be provided by the applicant in order to complete a "qualified" application

#### **See other side for Application Locations, Dates, and Times**

*NorCal S&C JATC does not discriminate in its educational and admissions policies on the basis of Age, Sex, Race, Creed, Color, National Origin, or Disability.*
