

UPGRADE COURSES

NorCal S&C JATC is offering additional Certified Fiber Optic Technician classes. See the *Course Schedule* for the dates and times.

Course

- **CFOT:** Certified Fiber Optic Technician is a complete training program covering the basics of fiber optics and hands on experience of terminating fiber optic cable. At the end of this course, the student will receive a certificate of completion with a passing grade on the CFOT test. This course also would apply 18 hours to the 32 hours needed for VDV re-certification.

Course schedule:

CLASS	DATE 1	DATE 2	DATE 3	DATE 4	DATE 5	DATE 6	TIME
CFOT 595	1/12/10	1/14/10	1/19/10	1/21/10	1/26/10	1/28/10	5:30pm – 8:30pm
CFOT 340	1/16/10	1/23/10	1/30/10	N/A	N/A	N/A	8am – 2:30pm
CFOT 551	2/13/10	2/20/10	2/27/10	N/A	N/A	N/A	8am – 2:30pm

Minimum: 8

Maximum: 16

See “Locations” for the address of the training centers.

Information

Registration Fees:

No registration fee is required.

Books:

Textbooks will be loaned out for the duration of the course. If the student feels that they would like to purchase the textbooks for reference material, they may request a book order form which includes the prices and information on how to order. The student will be monetarily responsible for the safe keeping of the loaner textbooks.

How to Register:

1. Call NorCal S&C JATC at (408) 453-3101 ex. 1823
2. Give the class Name and Date
3. NorCal will enroll you in the course (be prepared to give your social security number for enrollment)
4. Pay registration fee (have credit card ready - Visa, Master Card, or Discover Card accepted)

Cancellation:

If you need to cancel, please notify NorCal S&C JATC as soon as possible so we can make room for another individual.

Course- The course may be cancelled if the minimum number of students is not met five (5) business days prior to the start of the course. Students registered for a course that needs to be cancelled, will be notified by phone as soon as possible.

Completion:

All courses require that the student attend the entire course. Students who miss hours can still attend but will not be considered as successfully completing. Students who successfully complete will receive their certifications around 3 to 6 weeks after the end of the course.
